Dear Parent/Guardian:

Santee School District offers the course "Family Life Education" to all eighth grade students. This course offers children the opportunity to understand the growth process from childhood to adolescence, and to appreciate and respect family life as part of our culture today.

The following lessons will be taught in **May** at **Rio Seco School** in the Grade Eight Family Life Education Program:

**Introduction & Human Systems Overview**  
**Lesson 1: Physical Growth**  
**Lesson 2: Human Reproductive Systems**  
**Lesson 3: Maturity**

**Lesson 4: Prenatal Development**  
**Lesson 5: Childbirth**  
**Lessons 6-12: Personal Safety Red Cross HIV/STD Positive Preventions**

Students will be keeping a journal of vocabulary words, video responses and other pertinent information during the Family Life Education Unit. Parents may pick-up their child's journal from the teacher when the FLE unit is completed. Journals will not be sent home with students.

If you have any questions, please feel free to call my office at (619) 258-2358.

Sincerely,

Dr. Stephanie Pierce
