

**WELCOME to the school year at Rio Seco School.
We are glad that you are a member of our learning
community!**

Parents frequently ask what supplies students need for the new school year. The Rio Seco teachers have put together the following list of school supplies for the start of the year. These supplies will be required throughout the year. Teachers will have some supplies available for use, but many students feel more comfortable and confident coming to school with their own “tools” to do their “work” as a student. If you are planning on school shopping, you may want to consult this list.
